Descripteur(s): *Documentation sur l'éducation *Bibliographie *Collégial (Niveau)

Troisième numéro d'une bibliographie annuelle portant sur l'éducation et les domaines connexes, mais qui accorde à l'enseignement collégial une importance particulière. Le volume porte sur les périodiques dépouillés au cours de l'année 1977-1978, soit un peu plus de cinquante dont la spécialisation varie par rapport au domaine couvert: on retrouve là aussi bien la ##Nouvelle revue française## et ##Science et vie## que le ##Journal of educational research##.

De nature strictement signalétique, cet instrument indexe les articles pertinents de périodiques tant de langue anglaise que française. Des descripteurs sont attribués à chacun des textes et le classement se fait par ordre alphabétique de descripteurs. Une liste des termes utilisés figure au début du volume.

AVANT PROPOS

Ce document ne contient que les références accumulées depuis la publication du deuxième tome des "Références pédagogiques", soit celles provenant du dépouillement des revues au cours de l'année scolaire 1977-78.

MODE D'UTILISATION

Chaque fois que vous cherchez des références sur un thème donné, commencez toujours par consulter la liste des descripteurs (pp. 1 à 13) afin d'identifier le bon descripteur; il existe en effet une grande variété de termes ou d'expressions pour désigner le même objet; or ce n'est que dans la liste des descripteurs que vous pourrez trouver le terme qui a été retenu. (Note: dans cette liste, ne vous occupez pas du nombre qui apparaît à gauche, ce nombre renvoie au code de l'informatique.)

NOTES TECHNIQUES

A. Signification des descripteurs

Les descripteurs sont exclusifs:

- .Le descripteur ayant une portée plus générale regroupe uniquement des références qui traitent de généralités;
- .Le descripteur spécifique regroupe des références qui traitent particulièrement de cet aspect.

Exemple:

EVALUATION

BLAGA,J.J. SAY GOOD-BYE TO THOSE DUMB OLD TERM PAPERS, AUDIOVISUAL INSTRUCTION, VOL. 22, NO 6, AECT, JUILLET 1977, PP 16-18, 3 PP.

EVALUATION DES PROFESSEURS

BIGGERS,J.L. MACHIAVELLIANISM IN A PROSPECTIVE TEACHER GROUP, EDUCATION, VOL. 98, NO 1, PROJECT INNOVATION, AUTOMNE 1977, PP 91-96, 6 PP.

Le descripteur EVALUATION ne servira qu'à regrouper les références traitant de l'EVALUATION d'une façon générale.

La référence ayant trait à l'EVALUATION DES PROFESSEURS apparaît seulement sous ce descripteur et non pas également sous EVALUATION.

B. Les symboles

A cause du temps exigé pour le dépouillement des documents disponibles au service, il nous est apparu impossible d'accompagner chaque référence d'un bref résumé. Néanmoins, par l'utilisation de symboles, ce système permet de souligner les caractéristiques d'une référence.

Exemple:

OBJECTIFS PSYCHO-MOTEURS

SINGER,R.N. TO ERR OR NOT TO ERR. A QUESTION FOR THE INSTRUCTION OF PSYCHOMOTOR SKILLS, REVIEW OF EDUCATIONAL RESEARCH, VOL. 47, NO 3, AERA, ETE 1977, PP 479-498, 20 PP. LIT

Le symbole LIT (pour RELEVE DE LITTERATURE), dernier mot de la référence, signale que dans ce document le lecteur retrouvera un inventaire des résultats de recherche portant sur le sujet.

Une liste des symboles utilisés dans ce système apparaît en page 14.
